Dear Director A.Ötüken

We confirm thankfully receipt of your letter dated 15.4.1957.

In answer to your request about making a microfilm of the manuscript by Zayn al-Dîn Muh. Väsifi Badâi al-vakâi

زين الدين محمد واصفي. بدايع الوقايع we inform you that to our great regret we cannot execute your desire. This manuscript happens to be in work having been prepared by Prof. A. N. Boldyrev to publication in his critical edition.

But after completion of printing of this work we should like to send it to you as it appears. At that time we should be able to make a microfilm of the above mentioned manuscript.

Sincerely yours

Director of the Library of the
Academy of Sciences of the USSR
