

WHITEHALL COURT, S.W.

Dear Dr

I wonder if you
know the Ladies Lyceum
Club 128 Piccadilly?

Because the women
there are interested in
all sorts of things!
On Monday July 22nd
we have a dinner at
8 o'clock for those interested

in aviation & I am
asking a few friends.
I should be so pleased
if you could come
then we would get
a further talk about
your delightful country
women and also I
should like to introduce
you to Mrs Christitch
who admires Albanians

& is always talking
of their charms.

I do hope you are
free & can come.

I enclose a card to
remind you of the
day & hour.

Yours sincerely
Leonora Bruce Williams
