AMERICAN CONSULAR SERVICE

American Consulate General,
Jerusalem, Palestine, February 4, 1931.

Dr. Tewfik Riza,
Amman,
Transjordan.

Dear Doctor Riza:

I believe that I had the pleasure of meeting you at dinner in New York at the house of our mutual friend, Mr. Hagermeyer, during the winter of 1929. I hope that some time in the near future I may again have the pleasure of seeing you. In the meantime, I am writing to ask you to be good enough to give me the address in America of your son, Said Radha (Said Riza), and also such information as you may be able to give me in connection with his future plans should he have decided that he wishes to remain in the United States. This information is necessary in connection with his status as a foreign student studying in the United States having been admitted under a student's visa.

With kindest regards, believe me,

Yours sincerely,
