Handwritten text in Persian script, likely a historical document or manuscript. The text is dense and covers most of the page, with some lines appearing to be bleed-through from the reverse side. The script is cursive and characteristic of the Qajar or Reza Shah era.

Handwritten text in Ottoman Turkish script, heavily obscured by ink bleed-through from the reverse side of the page. The text is arranged in approximately 20 horizontal lines across the page.

Handwritten text in Arabic script, likely a manuscript or historical document. The text is dense and covers most of the page, though it is significantly faded and obscured by dark stains and ink bleed-through from the reverse side. The script is cursive and appears to be from a classical Arabic dialect. The text is arranged in approximately 20 horizontal lines, with some variations in line length and spacing. The overall appearance is that of an old, well-used document that has suffered from significant water damage or mold over time.

Handwritten text in Ottoman Turkish script, likely a historical document or manuscript. The text is densely packed and covers most of the page. It appears to be a collection of notes or a letter, discussing various topics, possibly related to military or administrative matters. The script is cursive and characteristic of the period.
