My dear Mr. Rıza Tevfik,

Mr. Alexander has

written me that you and

your wife are now in New

York so I want to send you

my greetings at this holiday

season. You may be interested
in the pictures I took on that
memorable morning in Amman.
As I have to go to New York next
month on business I am hoping
that I may have the privilege
of seeing you both before long.
You will not find New York as
peaceful as the desert!

Greetings to Mme. Riza Terzifi.
