Dear Ziyad,

Thank you for your card,
I was happy to hear you are well.
I am living here most of
the time now. My husband lives
in England. I plan to start a
"Gasthof" business this year, from
May. It's very beautiful here,
but the winter is very wet.

Last month I was in
Berlin at "Grüne Hede". Enjoyed
it very much. I was sorry to hear

2. your daughter has a divorce.

Marriage is very difficult these days.

I also have problems with my eldest daughter Ann, who you met in Istanbul. She shares a house in Brighton, England, with a group of friends, & she does not want to do anything.

It's very bad in England now for young people. They like to drink & smoke, but never work.

My other daughters Jennie & Penelope are both studying in England. Jennie wants to become a lawyer & Peny is doing Sciences.

3.

When are you going to come
to Ireland again. If you
come in April, I will take
you on a tour

I would like to visit
Istanbul again, maybe at the
end of September. Will you
be there?

I wish you good health
& a successful 1974

Sincerely,

Joan Forster
